

Application Procedure

1. Please check directly with each program to which you are applying to see if they are accepting the Common Application, and for any additional requirements of the individual program.
2. Complete a copy of the Common Child & Adolescent Psychiatry Residency Application form.
3. Send an updated Curriculum Vita. Describe any lapses of more than one month in training, if applicable.
4. A minimum of three letters of reference (including Program Director) and Medical School Program Evaluation/Dean's Letter.
5. A Personal Statement describing your interest in child and adolescent psychiatry and plans for future professional work. This Statement should not be more than 1,000 words, and should be submitted with your application package.
6. Please have the Training Documentation Form completed by your Program Director and include it with your application package.
7. Complete the Attestations page.
8. Add your Curriculum Vita to the application packet.
9. Mail (or send electronically, if appropriate) a completed application package containing the Common Child and Adolescent Psychiatry Residency Application form with Personal Statement and the Training Documentation Form, as well as your CV to each program to which you are applying
